

A close-up photograph of a white car's body panel, likely the front fender or door area. The VIN "960221" is stamped in a dark, slightly raised font. To the right of the VIN, a black plastic trim piece, possibly a door handle or side mirror housing, is visible. The surface of the car is glossy and reflects some light.

A close-up photograph of the front of a dark-colored car. The focus is on the front bumper and the license plate. The license plate is white with a black border and features the text "F" in the top left corner, "ECHOATX" in the top center, and "LE-31-624" in the center. The plate is decorated with a row of colorful, multi-colored dots along its bottom edge. The car is parked on a grey concrete surface, and a bright yellow horizontal line is visible on the ground directly in front of the bumper.
